July 15, 2010

Important Notice
Recreation Center
Playground Temporarily Closed

The children's playground at the recreation center will be closed from Monday, July 26 through Friday, July 30, 2010 for renovations. Please mark your calendars with the dates.

An additional swing set and a children's sandbox will be added to the playground. Due to the nature of the renovation no one will be permitted to use the playground during this week. Playground equipment will be moved around and the layout will be slightly changed.

The addition of the children's sandbox has been long coming and now our small children will have a sandbox of their own and will not have to use the volleyball court. There had been several concerns regarding items left behind in the sand that players have had the misfortune of stepping on, ouch!!!

Just as a reminder, don't forget to check our website at bulverdevillagepoa.com for any updates or important information.
